***Please answer each of the following questions briefly in a paragraph or less.
You will need to answer on a separate page. Number the answer to each question &
return this page with your answers.***

1. List educational background. Include high school, college major or field of study, and college hours earned in any school listed even if you did not graduate, and any degree received and year received.
2. List below applicable experience for degree your applying. Include the following information: names of organizations, positions held, responsibilities performed and years served.
3. List below any applicable seminar or event you have attended or any specialized training you have received. Include name of seminar, event, or specialized training, content or subject matter, dates and school or sponsor.
4. List all applicable books and materials you have read or studied. Include name, author and date material was printed if possible.
5. Do you have a hobby or hobbies that relate to any field of study? Examples include Numismatics (History and Money), Antiques (History and Americana), Woodworking and/or Scale Modeling (relates to Math, Engineering and Art) and Cooking (Culinary Arts, Kitchen Management and Food Services). These and any other hobbies may add to your college credit. Include one or two sentences telling how long you have had this hobby and what you enjoy most about it.
